

Hi all!

We made it through the huge Thanksgiving rush! I hope you all had a wonderful time with family and hopefully you had a few Pink Poppy treats to share on the Thanksgiving table.

A few exciting updates for you. We will be at the Port of Ilwaco Holiday Market 10-4 every Saturday from now until Christmas in the old Nautical Brass building. Also, I'm offering Christmas Cookie Decorating classes. I've attached that information to the email as a separate PDF so check it out.

Also in this menu, our Holiday Treat Pack Menu. These are always a HUGE hit. Get them for friends and family, gift wrapped and ready to go. You just need to decide what goes in them! Info at the end of this menu.

Also available through the month of December, gingerbread house kits! For \$17 get all of the gingerbread pieces and icing to complete a large house... you supply the candy and fun! These kits will be beautifully gift wrapped and ready to give as gifts to your favorite elves.

Thanks always for the support,  
Madeline and Pink Poppy Bakery
